About Us

The Sing Canada Harmony Scholarship Fund is a registered Canadian charity that supports vocal music education in schools and communities, including training in the three barbershop singing organizations (Barbershop Harmony Society, Sweet Adelines International and Harmony, Incorporated).

Since 2008, Sing Canada Harmony has awarded over **\$440,000** in scholarships for Canadians to become better singers and music leaders in their organizations and communities.

With your support, Sing Canada Harmony can ensure that someone will sing tomorrow in every community and school in Canada. Your donation will fund vocal music education and leadership training for deserving youth and adults in Canadian singing groups and organizations. Canadians, who value the importance of vocal music and have experienced the barbershop harmony art form and other types of a cappella harmony, firmly believe in their responsibility to support Sing Canada Harmony and to teach everyone to sing.

Our Volunteer Board

Twelve men and women representing a cappella organizations from across Canada donate their personal time and funds to support the lifelong benefits of singing.
