Sing Canada Harmony is a registered charity which supports vocal music in the communities and schools of Canada. Sing Canada Harmony is the official charity of the Barbershop Harmony Society (BHS) in Canada and is endorsed and supported as a special charity by Canadian members and chapters of Harmony, Inc. and Sweet Adelines International. Our Board of Directors is comprised of Canadian women and men barbershoppers from across Canada, who are committed to supporting vocal music in Canadian schools and communities.

### **Mission**

Sing Canada Harmony believes that vocal music, particularly four-part a cappella harmony in the barbershop style, plays a vital role in the development of healthy, creative and responsible members of society. This belief results in a commitment towards ensuring equal access to vocal music arts for Canadians of all ages, particularly the youth, men and women who sing and help others to sing to enrich lives.

### **Vision**

To build a better Canada by a commitment to enriching lives in every generation and community through the lifelong benefits of a cappella harmony singing.
