About Us

The Sing Canada Harmony Scholarship Fund is a registered Canadian charity that supports vocal music education in schools and communities, including training in the three barbershop singing organizations (Barbershop Harmony Society, Sweet Adelines International and Harmony, Incorporated).

Annually, Sing Canada Harmony has awarded approximately \$75,000 in scholarships for Canadians to become better singers and music leaders in their organizations and communities. Scholarship awards are based on donations received in the previous year.

With your support, Sing Canada Harmony can ensure that someone will sing tomorrow in **every community and school in Canada**. Your donation will fund vocal music education and leadership training for deserving youth and adults in Canadian singing groups and organizations. Canadians, who value the importance of vocal music and have experienced the barbershop harmony art form and other types of a cappella harmony, firmly believe in their responsibility to support Sing Canada Harmony and to teach everyone to sing.

Your donation to the scholarship fund can also honour a special occasion: birthdays, anniversaries, retirements, coaching, etc.

Visit SingCanadaHarmony.ca for more information.
